SUMMARY

Contribute as a skilled Front-End Developer at Radiant Coder utilizing expertise in JavaScript, HTML, and CSS to build exceptional web applications.
Good in frontend development with a strong emphasis on secure payment process handling, leveraging diverse payment gateways and APIs to ensure seamless user experience while prioritizing data privacy and security.

WORK EXPERIENCE

Radiant Coder   Nov 2024-April2025

Project Title: Banking System Web Application
Role: Web Developer [Intern]
Team Size: 6
Tech Stack: HTML, CSS, JavaScript, React, Redux. ☐   Built

reusable component for the admin panel using React.js and Redux.

- Collaborated with seniors during development processes to confirm creative proposals and design best practices.
- Removed unused JavaScript from code and improved website performance by 2x.
- Utilized Git for code management.
- Programmed applications in JavaScript, React, TypeScript, and Next.js.
- **Implemented a secure and scalable payment process handling module within the frontend application.**

SKILLS

- Technical Skills : ReactJs, HTML 5, CSS, Boot Strap ,responsive design , Redux , Context API
- Version Control and collaboration : Git, Github

EDUCATION

- BCA Chaudhary Charan Singh University [CCSU] 2022-2025-7.2Cgpa
- 10th St. Vivekanand international School [CbseBoard:2020]- 59%
- 12th Chhatrapati Shivaji School [UpBoard:2022]-68%

SELF PROJECT

2. **Banking System Web Application**

Tech Stack: React.js, Node.js, Express.js, Mongo DB

Description: Developed a full-stack banking management system with a secure server-side architecture to handle customer accounts. Implemented core functionalities such as user authentication (login), with (CRUD operations).

- User authentication with session/token- based login
- Secure backend API to manage account data
- Real-time updates and seamless user experience on the frontend
- RESTful API architecture
- GitHub Link: https: https://github.com/Shiiva-22/Bank-software.git

ADDITIONAL INFORMATION

- 10+ Self project completed in React JS
- 150+ DSA Question solved
-

PERSONAL INFORMATION:

- **Date of Birth:** April 18, 2005
- **Father's Name:** Vinay Kumar
- **Marital Status:** Unmarried
- **Permanent Address:** Radha Nagar, Bulandshahar
